**MOTION FOR LEAVE TO FILE UNDER SEAL  
ATTACHMENT 2 OF REPORT OF THE DATA  
WORKING GROUP IN ADVANCE OF WORKSHOP  
(CONFIDENTIAL VERSION); [PROPOSED] ORDER**

Pursuant to Rule 11.4 of the California Public Utilities Commission's ("Commission") Rules of Practice and Procedure, the Office of Ratepayer Advocates ("ORA") hereby submits this *Motion for Leave to File Under Seal Attachment 2 of Report of the Data Working Group in Advance of Workshop (Confidential Version)* in the above-referenced docket.

On August 26, 2016, the Data Working Group, consisting of Pacific Gas & Electric Company (PG&E), Southern California Edison (SCE), and Southern California Gas Company (SCG), and Office of Ratepayer Advocates filed its *Report of the Data Working Group in Advance of Workshop (Confidential Version)* (Report). ORA makes this motion because Attachment 2 to this filing contains material that PG&E, SCE and SCG claim is confidential. Due to resource constraints, ORA was not able to confirm that all of the information that PG&E, and SCE labeled confidential is confidential and meets the Commission's standard for Public Utilities Code Section 583 Confidentiality at the time the Report was filed. While ORA agreed to give confidential treatment to materials marked confidential by PG&E, SCE, and SCG, this simply means that ORA cannot (and will not) act unilaterally to disclose this information. ORA continues to

work with PG&E, SCE, and SCG to determine which matters marked confidential deserve confidential treatment so that a public version may be available in the future. Thus, ORA respectfully requests that the Commission grant this motion designating Attachment 2 of the above-referenced Report as confidential and to protect these attachments under seal.

Respectfully submitted,

/s/ DARRYL GRUEN
